1Meal-Bar

One Bar = One Meal

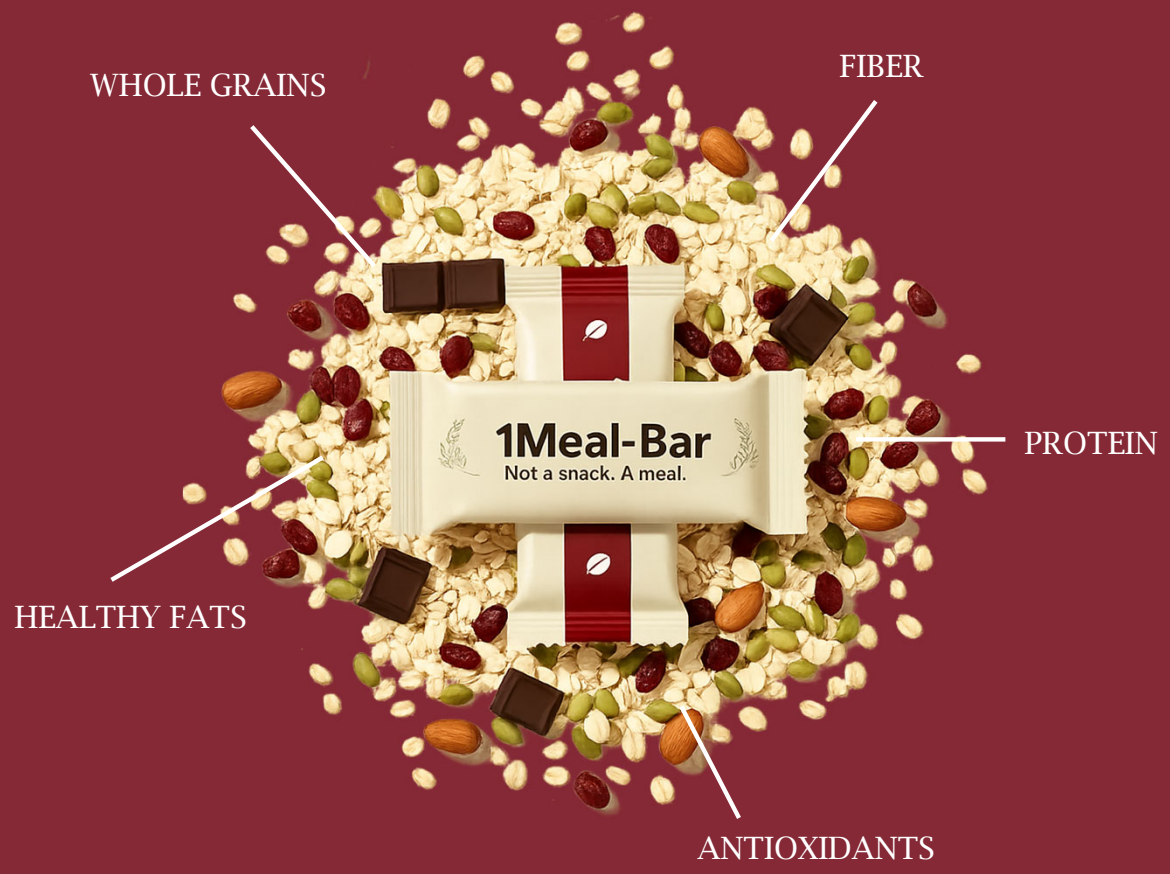
What is the 1Meal-Bar?

ONE BAR = ONE MEAL
Replaces a full meal

CONVENIENT BY DESIGN
No prep, no cooking

BALANCED NUTRITION
Protein, carbs, fats, etc.

SCIENCE-BASED NUTRITION
Medically engineered recipe



Way more than just 1 challenge

People want to **eat healthy**

Healthy eating often **takes time**

Snacks don't replace real meals

Convenient food is usually **unhealthy**

Liquid meals **bypass mastication**

Eating well **takes planning**

People **skip food** when busy

Eating healthy is **costly**

Good intentions to eat healthy → **Busy lifestyle** limits options → **Current offers** are unsatisfactory → **Unhealthy eating** habits

Not a snack. Not a protein bar.

	Full Meal	No prep	Balanced	Natural satiety	Science based
